RESTRICTIONS AND PRECAUTIONS: (continued from Permit Form VS 16-6)

- o \*\*\*Each shipment of pork or poultry exported from disease affected-countries (diseases mentioned above) must be accompanied by an ORIGINAL signed document from the producer/manufacturer confirming that the meat products shall have been thoroughly cooked after removal of bones by a commercial method to reach an internal minimum core temperature of 80 degrees C as used for perishable canned pork products in the case of pork products, and 70 degrees C for 5 seconds in the case of poultry products.  
[This certification must CLEARLY correspond to the shipment by means of an invoice number or shipping marks or lot number or other identification method. An English translation must be provided.]
  - o Importer is responsible for obtaining any required authorization from the USDA, Food Safety and Inspection Service (FSIS). FSIS may have specific public health requirements apart from USDA's animal health requirements. Importer to contact [(202) 720-6400].
  - o No equine blood material may be imported from or through the following countries/regions which are considered by USDA to be affected with African Horse Sickness disease: Africa (except Morocco), Saudi Arabia, Republic of Yemen, Oman, Kuwait, or Bahrain.
  - o This permit DOES NOT authorize direct or indirect exposure of or inoculation into laboratory and domestic livestock, including poultry, cattle, sheep, swine, horses, etc. Work shall be limited to IN VITRO uses only.
  - o The imported milk products are for EVALUATION PURPOSES ONLY. Permit does not authorize use as livestock feed ingredient or in veterinary pharmaceuticals. Product may not be sold or distributed.
  - o This permit is valid only for work conducted or directed by you or your designee in your present U.S. facilities. (MATERIALS SHALL NOT BE MOVED TO ANOTHER U.S. LOCATION, OR DISTRIBUTED WITHIN THE U.S., WITHOUT USDA, APHIS, VS, NCIE AUTHORIZATION.)
  - o On completion of your work, all permitted materials and all derivatives therefrom shall be destroyed.
  - o The restrictions on this permit remain in force as long as the material is in the United States.
  - o This permit does not exempt the permittee from responsibility for compliance with any other applicable federal, state, or local laws and regulations.
  - o A copy of this permit must be included with the shipping documents. For imported materials, these documents must be presented to CBP Agricultural Specialists upon arrival at the U.S. port of entry.
-
